Grow your furniture business
through happy customers

Testimonial Tree helps improve online reputation, social presence, SEO, and customer satisfaction to gain **more referrals** and sell more furniture. Our automated feedback collection, management, and syndication platform makes you the authority for your reputation and turns your customers into your best marketers.

★★★★★ Google   facebook   yelp

Why it matters

The #1 source of business is **referrals** from past customers.

88% of people trust online reviews as much as personal recommendation.

Testimonials have the highest effectiveness rating in **content marketing** at 89%.

How we help

Integrate – Testimonial Tree seemlessly integrates in to your customer relationship management software, bookkeeping software, POS, e-Commerce and any website platform.

Automate - One time setup for your requests, filtering and post settings.

Share - Post to your website, Facebook page, and your social media networks. Simplify collection on review sites such as Yelp, Google, and others.

What you gain

Boosted SEO – User-generated content ranks high in Google search results

Free marketing - Happy customers are the best advocates and they'll tell their friends
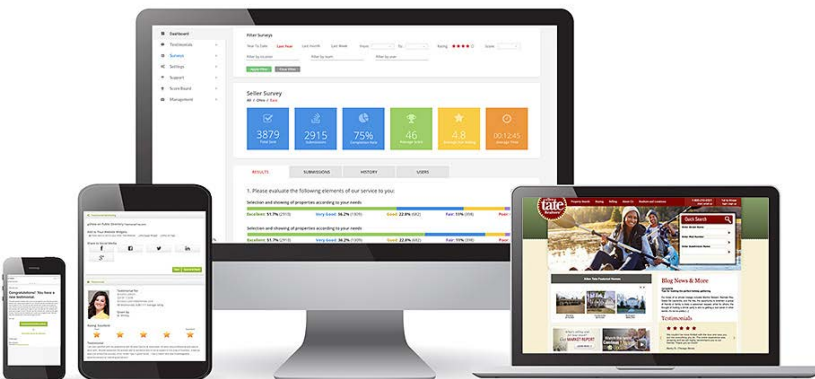

More referrals - As the star rating keeps growing so will your business.

Valuable data - Gain insight to what is important to your customers

Improved customer satisfaction - Custom-branded surveys provide business insight
